What's New and Other Important Information for 2003

The Form 540 2EZ is no longer a postcard. Due to California's budgetary constraints the form was changed to a regular size tax return. The costs of producing and processing a regular size tax return are less than producing and processing a postcard-size form.

Form 540 2EZ is one of the simplest and easiest forms to complete, so we wanted to expand the availability of this form to more taxpayers.

You can now use Form 540 2EZ to file your taxes if:

- You (or if married, your spouse) are 65 or older,
- You received U.S. social security benefits, or
- You received tier 1 and tier 2 railroad retirement benefits

Note: You may claim the senior exemption if you (or if married, your spouse) are 65 or older and choose any of the four filing statuses offered on Form 540 2EZ.

Use Tax: For taxable years beginning on or after January 1, 2003, if you made a purchase from an out-of-state seller and did not pay California use tax, you may report the California use tax on your personal income tax return. For more information, see Additional Information on page 31.

Southern California Wildfires: If you were a victim of the Southern California Wildfires, get Pub. 1034, California Disaster Relief Tax Provisions, and Pub. 1034A-4, Southern California Wildfires, for more information.

Mandatory e-file: If you are a tax practitioner who prepared more than 100 individual income tax returns during the calendar year that began on or after January 1, 2003, and in the current calendar year, you prepare one or more individual income tax returns using tax preparation software, then for that calendar year and for each subsequent calendar year thereafter, all income tax returns you prepare shall be electronically filed (e-file) with the Franchise Tax Board. For additional information regarding e-file, visit our Website at www.ftb.ca.gov.

New Voluntary Contribution Fund: You may make voluntary contributions to the California Missions Foundation Fund. See page 10 for a description of this fund and others.

Other Important Information

Note: The following incentives cannot be claimed on Form 540 2EZ. Please e-file or get Form 540 from our Website at www.ftb.ca.gov. If you want to file a paper form, download it from our Website or see page 32, code 900.

Child and Dependent Care Expenses Credit/Treatment of never married persons: Parents who are not married are treated the same as divorced or separated parents for purposes of claiming the California Child and Dependent Care Expenses Credit.

Holocaust Restitution Payments: An exclusion is provided for Holocaust reparations received by an eligible individual, their heirs, or estate for Holocaust restitution payments, distributions, or excludable trust.

Energy Rebates: Eligible individuals can take an exclusion for vouchers, rebates, or other financial incentives received from the California Energy Commission, the Public Utilities Commission, or a local publicly owned utility for the purchase and installation of specified energy production systems. Get form FTB 3508, Solar Energy System Credit.

Exclusions for Registered Domestic Partners: Several taxpayer benefits are extended to apply to a taxpayer's "registered domestic partner" and the domestic partner's dependent(s) for medical expenses and health insurance benefits that occur on or after January 1, 2003. These include:

- The exclusion from gross income for employer-provided accident and health insurance,
- An exclusion from gross income for medical expense reimbursement if the expense was not previously deducted,
- Medical expenses deductible as an itemized deduction,
- Long-term health care insurance deductible as a medical expense, and
- A deduction by self-employed individuals for health insurance costs paid for themselves, their spouses, and dependents. The deduction

may not exceed the net earnings from the trade or business in which the insurance plan is established.

Military Service Benefits: Extensions of time are provided to members of the National Guard ordered into active service by the Governor of California or active federal service by the President of the United States for emergency purposes and to reservists called to active duty. The extensions apply to, among other things, court proceedings, contract obligations, rental agreements, taxes or assessments, and health or medical insurance.

In addition, California allows an exemption from taxes to any California taxpayer who dies on active duty with any branch of the armed forces of the United States.

General Information

California has conformed to the Victims of Terrorism Tax Relief Act of 2001 to allow victims who have died as a result of the terrorist attacks of September 11, 2001, and the anthrax incidents in 2001, a forgiveness of their state tax liability for the year immediately preceding the incident and all subsequent tax years until the date of death. For victims who died in 2001, this will result in a forgiveness of tax liability for tax year 2000 and 2001. For more information, get Form 540X, Amended Individual Income Tax Return and instructions.

In addition, with respect to a declared disaster, terrorist attack, or military action occurring on or after September 11, 2001, you may receive an extension of up to one year to file a tax return and/or make estimated tax payments.

Interest Income

We eliminated the \$400 interest income limit for using Form 540 2EZ.

Filing Status Check List

General Information

Choose only **one** filing status. Your filing status for California must be the same as the filing status you used on your federal income tax return.

Exception: Married taxpayers who file a joint federal income tax return may file separate California returns if either spouse was:

- An active member of the U.S. Armed Forces (or any auxiliary military branch) during 2003; or
- A nonresident for the entire year and had no income from California sources during 2003.

You cannot use Form 540 2EZ if:

- You file a joint return and either spouse was a nonresident in 2003. You should e-file or use Long or Short Form 540NR, California Nonresident or Part-Year Resident Income Tax Return.
- You are married and file a separate return. You should e-file, or use Form 540A or Form 540. See the back cover for downloading or ordering tax forms.
- You have income from a source outside of California.

Single

You are single if **any** of the following was true on December 31, 2003:

- You were never married; or
- You were legally separated under a decree of divorce or of separate maintenance; or
- You were widowed before January 1, 2003, and did not remarry in 2003 (see Qualifying Widow[er] below).

Married Filing Jointly

You may file married filing jointly if **any** of the following is true:

- You were married as of December 31, 2003, even if you did not live with your spouse at the end of 2003; or
- Your spouse died in 2003 and you did not remarry in 2003; or
- Your spouse died in 2004 before the 2003 return was filed.

A husband and wife may file a joint return even if only one had income or if they did not live together all year. However, both must sign the return.

Head of Household

This filing status is for unmarried individuals who provide a home for certain other persons. You are entitled to use the head of household filing status only if **ALL** the following apply:

- You were unmarried or considered unmarried on December 31, 2003
- You paid more than one-half the costs of keeping up a home for the year 2003
- For more than half the year, your home was the main home for you and another person who lived with you
- The other person was your qualifying relative
- You were not a nonresident alien at any time during the year

For further information refer to FTB Pub. 1540, California Head of Household Filing Status Information. See back cover, code 934.

Qualifying Widow(er)

You are a qualifying widow(er) if **ALL** of the following apply:

- Your spouse died in 2001 or 2002, and you did not remarry in 2003,
- You have a child, adopted child, stepchild, or foster child whom you can claim as a dependent,
- This child lived in your home for all of 2003. Temporary absences, such as for school, vacation, or medical care, count as time lived in the home,
- You paid over half the cost of keeping up your home for this child,
- You could have filed a joint return with your spouse the year he or she died, even if you actually did not do so

Please enter the year of your spouse's death on your return.

Instructions for Form 540 2EZ

Things you need to know before you complete Form 540 2EZ

Use blue or black ink to complete Form 540 2EZ.

The **California 2EZ tables** are made for the Form 540 2EZ only. They may not be used with any other California tax form. There are three separate tables, one for each filing status. **Note:** married filing jointly and qualifying widow(er) share the same tables. The tax amounts have been reduced for the standard deduction for your filing status, your personal exemption credit, and dependent exemption credits you may claim.

Use the label on the cover of this booklet to speed processing and prevent common errors that can delay refunds. After completing your return, sign it and attach the mailing label. Make corrections to the label by crossing out any errors and printing the correct or missing information in black or blue ink.

Enter your social security number(s) in the space(s) provided. This information is not pre-printed on your label.

Specific Line Instructions

These instructions are based on the Internal Revenue Code (IRC) as of January 1, 2001, and the California Revenue and Taxation Code (R&TC).

Line 1 through Line 5 – Filing Status

See page 5 for the requirements for each of the filing statuses. Then fill in the circle on Form 540 2EZ for the filing status that applies to you.

Line 6 – Can you be claimed as a dependent?

If your parent (or someone else) can claim you (or your spouse, if married) as a dependent on his or her tax return, even if he or she chooses not to, fill in the circle on line 6.

Line 7 – Seniors

If you (or if married, your spouse) are 65 or older, enter 1; if both, enter 2 on line 7.

Line 8 – Dependents

Enter the names of the dependents you are allowed to claim. Up to 3 dependents are allowed on Form 540 2EZ. If you are claiming 4 or more dependents, you must e-file or use Form 540A or Form 540.

Refundable Child and Dependent Care Expenses Credit

If you qualify for the similar federal credit and your California adjusted gross income is \$100,000 or less, claim the credit using Form 540A or Form 540. The easiest way to claim the credit is to e-file. **This credit may not be claimed on Form 540 2EZ.**

Line 9 – Wages

Enter the amount from Form W-2, box 16. If you have more than one W-2, add all amounts shown in box 16. The picture on this page shows where this information is located on your Form W-2.

Generally, federal Form W-2 box 1 and box 16 should reflect the same amounts. If they are different because you had income from a source outside California, you cannot file Form 540 2EZ. Please e-file or get Form 540A, Form 540, or Long or Short Form 540NR, from our Website at www.ftb.ca.gov or see the back cover.

Exception: You may use Form 540 2EZ, if your Form W-2, box 1 and box 16 are different because you received ride-sharing benefits or sick pay under the Federal Insurance Contributions Act and Railroad Retirement Act.

If this exception applies to you, enter the amount from federal Form W-2, box 16.

Line 10 – Interest Income

Enter interest income shown on Form 1099-INT, box 1.

Do not include amounts shown on Form 1099-INT, box 3, Interest on U.S. Savings Bonds and Treasury Obligations. This interest is not taxed by California.

Line 11 – Unemployment Compensation

Enter unemployment compensation from federal Form 1099-G. This type of income is not taxed by California and should not be included in the total for line 13.

Line 12 – U.S. Social Security or Railroad Retirement Benefits

Enter U.S. social security or tier 1 and tier 2 railroad retirement benefits. California does not tax this income.

Line 14 – Tax

The standard deduction and personal exemption credit are built into the tax tables and not reported on the tax return.

Did you fill in the circle for line 6?

Yes Complete the Dependent Tax Worksheet on the next page.

No Follow the instructions below.

Use the California 2EZ table for your filing status to complete line 14. The 2EZ tables in this booklet give you credit for the standard deduction for your filing status, your personal exemption credit, and dependent exemption credits. There are three different tables. Make sure you use the right one. If your filing status is:

- Single, go to page 19.
- Married filing jointly or qualifying widow(er), go to page 22.
- Head of household, go to page 27.

(Instructions continued on following page.)

- \$10,220 if single

- \$14,390 if head of household, or

2. Do you have a dependent?

If the answer to question 1 or question 2 is:

Yes Stop here. You cannot use Form 540 2EZ because you will not be able to figure the correct amount of tax using the California 2EZ Tables. Please e-file (see page 2), or get Form 540A or Form 540 at www.ftb.ca.gov.

No If you can be claimed as a dependent by another taxpayer, your personal exemption credit amount is zero. You will need to adjust the tax from the 2EZ Table for this amount as follows:

1. Using the amount from Form 540 2EZ, line 13, and your filing status, look up the tax in the 2EZ Table.

If your filing status is:

- Single, go to page 19.
- Married filing jointly or qualifying widow(er), go to page 22
- Head of household, go to page 27

3. Add line 1 and line 2. Enter here and on

Form 540 2EZ, line 14

3

Line 15 - Senior Exemption

If you entered 1 in the box on line 7, enter \$82. If you entered 2 in the box on line 7, enter \$164.

Line 16 - Nonrefundable Renter's Credit

If you paid rent on your principal California residence in 2003, you may be eligible for a credit to reduce your tax. See page 9 for more information.

Line 19 - Tax Withheld

Enter the amount from Form W-2, box 17. If you have more than one Form W-2, add all amounts shown in box 17. The picture on page 6 shows where this information is located on your Form W-2. The Franchise Tax Board verifies all withholding claimed from Forms W-2 with the Employment Development Department.

Line 21 - Tax Due

If you increase your withholding, more of your 2004 state tax liability will be withheld throughout the year. Doing so could eliminate the need to make a large payment with your tax return. To increase your withholding, complete Employment Development Department (EDD) Form DE-4, Employee's Withholding Allowance Certificate, and give it to your employer's appropriate payroll staff. You can obtain this form by calling EDD at (888) 745-3886 or through the Internet at www.edd.ca.gov/taxrep/de4.pdf, or you can get this form from your employer.

Line 22 - Use Tax

As explained on page 31, you may owe California use tax for purchases from out-of-state sellers (for example, purchases made by telephone, over the Internet, by mail, or in person).

You may now report use tax on your income tax return instead of having to file a use tax return with the California State Board of Equalization. To report use tax on your income tax return, complete the Use Tax Worksheet in the next column.

If you owe use tax but choose not to report it on your income tax return, you must report and pay the tax to the State Board of Equalization. To do so, download a copy of Publication 79-B, California Use Tax, from www.boe.ca.gov. You can also request a copy by calling the State Board of Equalization's Information Center at (800) 400-7115, or TTY/TDD (800) 735-2929.

Note: Businesses that have a California seller's permit must continue to report business purchases subject to use tax on their sales and use tax returns.

See page 31 for a general explanation of California use tax.

Use Tax Worksheet

Round all amounts to the nearest whole dollar.

1. Enter your purchases from out-of-state or internet sellers made without payment of California sales/use tax.¹ \$ _____
2. Enter the applicable sales and use tax rate. See page 8.² _____
3. Multiply line 1 by the tax rate on line 2. Enter result here. \$ _____
4. Enter any sales or use tax you paid to another state for purchases included on line 1.³ \$ _____
5. Subtract line 4 from line 3. This is the total use tax due. Enter the amount due on line 22. If the amount is less than zero, enter -0- \$ _____

¹ Include handling charges. Do not include any other states' sales or use tax paid on the purchase(s).

² Enter the decimal equivalent of the sales and use tax rate. For example, the decimal equivalent of 7.25% is 0.0725, and the decimal equivalent of 7.375% is 0.07375. Use the tax rate applicable to the place in California where the property is used, stored, or otherwise consumed.

³ This is a credit for tax paid to other states. You cannot claim a credit greater than the amount of tax that would have been due if the purchase had been made in California. For example, if you paid \$8.00 sales tax to another state for a purchase, and you would have paid \$6.00 in California, you can claim a credit of only \$6.00 for that purchase.

Worksheet, Line 1, Purchases Subject to Use Tax

- Report only purchases from out-of-state or internet sellers made during the year that corresponds with the income tax return you are filing. For example, use your 2003 return to report taxable purchases made in 2003.
- Report items that would have been taxable in a California store. For example, you would include purchases of clothing, but not purchases of prescription medicine. If you have questions on whether a purchase is taxable, visit the State Board of Equalization's Website at www.boe.ca.gov, or call its Information Center at (800) 400-7115, or TTY/TDD (800) 735-2929.
- If you traveled to a foreign country and brought items back to California, generally the use tax is due on the purchase price of the goods you listed on your U.S. Customs Declaration less the \$400 per-person exemption. This \$400 exemption does not apply to goods sent or shipped to California by mail or other common carrier.
- Do not report the following on your income tax return:
 - Vehicles, vessels, and trailers that must be registered with the Department of Motor Vehicles.
 - Mobile homes or commercial coaches that must be registered annually as required by the Health and Safety Code.
 - Vessels documented with the U.S. Coast Guard.
 - Aircraft.
 - Leases of machinery, equipment, vehicles, and other tangible personal property.

You must sign your tax return on Side 2. If you file a joint tax return, your spouse must sign it also.

Note: If you file a joint return, both you and your spouse are generally responsible for tax and any interest or penalties due on the return. If one spouse does not pay the tax, the other spouse may have to. See Innocent Spouse Relief on page 30.

If you pay a person to prepare your tax return, that person must sign on Side 2 and include either their social security number (or PTIN) or FEIN. A paid preparer must give you two copies of your tax return: one to file with the Franchise Tax Board and one to keep for your records.

Assembling Your Tax Return

Attach your Form(s) W-2 to your return as shown.

To help with our processing costs, please enclose but do not staple your payment to your return.

Please do **not** enclose a copy of your federal tax return or any other document with your Form 540 2EZ. This will help us to reduce government processing and storage costs.

- Check or money order
- Credit card
- Electronic funds withdrawal

Check or Money Order (no cash please)

Many military bases also provide this service for members of the U.S. Armed Forces. This service is provided from January 15, through April 15. For locations, go to our Website at www.ftb.ca.gov or call (800) 852-5711.

9. I will be moving after I file my return. How do I notify the FTB of my new address?

You can notify the FTB of your new address by using form FTB 3533, Change of Address. This form is available on our Website at www.ftb.ca.gov as a fillable form, or you can call (800) 852-5711, and select option 5.

If your federal income tax return is examined and changed by the IRS and you owe additional tax, you must report these changes to the FTB within six months of the date of the final federal determination. If the changes made by IRS result in a refund due for California, you must claim a refund within two years of the date of the final federal determination. You may either use Form 540X to correct the California income tax return you already filed, or you may send a copy of the federal changes to:

ATTN RAR/VOL, AUDIT SECTION

PO BOX 1998
RANCHO CORDOVA, CA 95741-1998

Regardless of which method you use to notify the FTB, you must include a copy of the final federal determination along with all data and schedules on which the federal adjustment was based. Get FTB Pub. 1008, Federal Tax Adjustments and Your Notification Responsibilities to California, for more information. See Automated Phone Service on the back cover.

If you need to amend your tax return, use Form 540X. Go to www.ftb.ca.gov to download and print the form, or call (800) 338-0505 and enter code 908.

Privacy Act Notice

The Franchise Tax Board considers the privacy of your tax information to be of the utmost importance.

Your Rights:

You have the right to see our records that contain your personal information, and we must tell you why we ask for your tax information and to whom we may provide that information. You also have the right to question the correctness of the information that is contained within your file.

Your Responsibility:

If you meet certain income requirements, the California Revenue & Taxation Code requires you to file a return on the forms we prescribe (See Sections 18501 and 18621). When you file these forms and related documents, you must include your social security number for identification and return processing (Section 18624).

Reasons for Information Requests:

We ask for return information so that we can administer the tax law fairly and correctly. We may request additional information to resolve audit or collection issues. It is mandatory that you furnish all requested information.

If you do not file a return, do not provide the information we ask for, or if you provide fraudulent information, you may be charged penalties and interest, and, in certain cases, you may be criminally prosecuted. Additionally, we may disallow your claimed exemptions, exclusions, credits, deductions, or adjustments. This could increase your tax liability, or delay or reduce any refund.

Information Disclosure:

We may give your tax information to the Internal Revenue Service, to income tax officials of other states, to the Multistate Tax Commission, and to certain California government agencies and officials, as provided by law. Also, as provided by law, we may give your tax information to other persons as necessary to determine your tax liability or to collect the amount of tax you owe. If you owe the Franchise Tax Board money, the amount due may be disclosed to employers, financial institutions, county recorders, vacation trust funds, process agents, or others who hold assets belonging to you.

Responsibility for the Records:

The Director of the Enterprise Data Management Bureau is responsible for maintaining the records of the Franchise Tax Board. To obtain information about your records, 1) write to: Disclosure Officer, Franchise Tax Board, PO Box 1468 Mailstop B-1, Sacramento, CA 95812-1468, or 2) call: (800) 852-5711 within the United States, or (916) 845-6500 outside of the United States.

Your Rights As A Taxpayer

Our goal at the FTB is to make certain that your rights are protected so that you will have the highest confidence in the integrity, efficiency, and fairness of our state tax system. FTB Pub. 4058, California Taxpayers' Bill of Rights, includes information on your rights as a California taxpayer, the Taxpayers' Rights Advocate Program, and how you can request written advice from the FTB on whether a particular transaction is taxable. Innocent Spouse Relief

You may qualify for relief from liability for tax on a joint return if (1) there is an understatement of tax because your spouse omitted income or claimed false deductions or credits, (2) you are divorced, separated, or no longer living with your spouse, **or** (3) given all the facts and circumstances, it would be unfair to hold you liable for the tax. For more information, get FTB Pub. 705, Innocent Spouse - Are You Eligible, by calling (916) 845-7072, Monday - Friday between 8 a.m. to 5 p.m., or by visiting our Website at www.ftb.ca.gov.

Additional Information *(continued)*

California Use Tax General Information

The use tax has been in effect in California since July 1, 1935. It applies to purchases from out-of-state sellers. It is similar to the sales tax you pay on purchases you make in California.

In general, you must pay California use tax if you purchase an item from out of state (for example, by telephone, over the Internet, or by mail) *and*

- The seller does not collect California sales or use tax, and
- You use, give away, store, or consume the item in this state.

Example: You live in California and purchase a dining table from a company in North Carolina. The company ships the table from North Carolina to your home for your use and does not charge California sales or use tax. You owe use tax for the purchase.

Complete the Use Tax Worksheet on page 7 to calculate the amount due. If you do not know your use tax rate, see the chart on page 8. If you have questions regarding the use tax rate in effect in your area, please see the State Board of Equalization's Website at www.boe.ca.gov (click on "CA City and County Sales and Use Tax Rates") or call the State Board of Equalization's Information Center at (800) 400-7115. Please call this number for use tax questions only. Income tax information is not available at this number.

Extensions to file. If you request an extension to file your income tax return, wait until you file your return to report your purchases subject to use tax and make your use tax payment.

Corrected Use Tax Calculations. Do not complete an Amended Income Tax return to revise your use tax. If you have changes to the amount of use tax you reported on your original income tax return, contact the State Board of Equalization.

For assistance with your use tax questions, please visit the State Board of Equalization's Website at www.boe.ca.gov or call the State Board of Equalization's Information Center at (800) 400-7115, or TTY/TDD (800) 735-2929. Income tax information is not available at this number.
